Contact information of source if different from supplier:

Additional comments:

Signature of supplier

Printed Name of supplier

Phone number: _____

Address: _____

The purpose of this form is to help organic producers assess the appropriateness of various inputs and to meet audit trail requirements of the Canadian Organic Standards. Whenever possible, certified organic or OMRI-approved inputs should be used. Written documentation is required for inputs brought onto organic farms. Filling out this form does not make a particular input acceptable. Please see the COABC guidelines and COS for the rules regarding inputs.
